I'm ready to step **inward** into a relationship with Jesus Christ and fellow believers here at Carrollton First UMC. I would like a further conversation about how I can get connected.

I'm ready to step **upward** into a growing relationship with Christ and an area of service within this Church. I'd like to have a conversation with a leader or staff about my gifts, passions, and possible areas of service.

Up, In & Out

As we see in the Gospels, Jesus had three great loves and thus three distinct dimensions to his life:

- **UP:** Deep and connected relationship to his Father and attentiveness to the leading of the Holy Spirit.
- **IN:** Constant investment in the relationships with those around Him (disciples).
- **OUT:** Entering into the brokenness of the world, looking for a response individually (people coming into a relationship with Jesus and his Father) and communally in our broader culture.

This three-dimensional pattern for living a balanced life is evident throughout scripture and needs to be expressed individually and in community life.

Where are you in your faith journey?

- We want to help you know and grow in Jesus!
- We want to help you learn who Jesus wants you to be!
- We want to help you walk into that calling using and developing your spiritual gifts to carry out your purpose.
