### How to use as a Prayer Cube:

PREPARATIONS: cut, fold, and glue and/or tape into a cube. (Don't cut off the fold tabs.)

USE as group or family:

- Everyone around the table roll the die/cube to identify a specific prayer square to pray about. Take a moment to read and reflect on the prayer prompt. Take turns praying.

USE as an Individual:

- Roll the cube, read the prompt and spend however much time as needed to pray, meditate on, and journal about this prompt.

### How to use as a Cross Template for praying through the Lord's Prayer:

PREPARATIONS: leave sheet as it.

USE: You can do this individually or with a prayer partner or spouse.

- Start by praying through the Left & Right arms of the cross (Position then Purpose).
- Next, pray through the "Prerequisites for Participation" squares in any order that you feel led. *\*(It is not necessary to pray all of them. The purpose is to pray about those things you need to better participate in the Kingdom work God has for you.)*

### How to use as Prayer Squares:

PREPARATIONS: cut all the squares out.

USE: Can be used in the same way as prayer cube by randomly drawing squares, in the same way as the Cross Template, or any other way that works for you.

### FOCUS OF THIS TOOL!

There are lots of ways to use this, but the key is to make praying the way Jesus taught us natural. Ultimately, it's about God's covenantal love for you and your role in His kingdom. I encourage you to look at the "Prerequisites for Participation" as a single group expressing the things that you feel you need at this time to better serve God and the role to which He called you.
